## 5. INSIGHT RESIDENTIAL LOCAL SERVICE

### 5.1.1. INTEGRATED OFFERING

#### A. Block-of-Time Offers

##### 3. Unlimited Usage Add-On Offer (cont'd)

Due to the bulk nature of the usage, call detail may not be provided on the monthly billing. Unused minutes in any month revert to the Company.

Service is limited to residential voice applications and the use of this service is limited to the customer, members of the customer's household and occasional guests. The use of the service for commercial applications, resale, internet access, telemarketing or other non-residential usage is prohibited. In addition, the use of auto dialers, polling devices, call forwarding, three-way calling (other than incidental usage) and other devices and/or dialing arrangements with the intent to avoid payment of otherwise applicable long distance charges is prohibited. Participation may be terminated for customers who utilize the service in a manner or for a purpose other than those described herein.

This offer does not include calls to 900 numbers, directory assistance calls, calling card calls, operator services, international calling, taxes, fees, subscriber line and installation charges. Customers checking email, limited surfing the Internet or sending faxes should not incur an additional monthly fee for such limited usage due to the brevity of these applications.

The Company will undertake periodic reviews of traffic on its network to determine appropriate use of this offer. Indicators of inappropriate usage may include call origination, call destination, call holding times, frequency of calls, call usage in excess of 5,000 minutes per month, and other calling-pattern data. Where the Company (at its sole discretion) determines that a customer's calling patterns indicate usage that is not consistent with typical residential customer usage, the customer will be contacted and offered a service plan more appropriate to their needs at the Company's sole discretion. Subsequent to that notification, if a customer continues to use the service in an inappropriate manner, the Company will temporarily restrict the customer's ability to place offending calls until a mutually agreeable resolution can be reached.

#### B. "By the Minute" Offer

The "By the Minute" offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and long distance calling rated on a per minute basis as specified in the appropriate Company Tariff or Service Guide.

## 6. PROMOTIONAL OFFERINGS

### 6.1. PROMOTIONAL OFFERINGS (CONT'D)

#### 6.1.17 \$10 FOR UNLIMITED USAGE PROMOTION

(N)

Beginning April 1, 2006, and continuing through June 30, 2006, qualifying customers may subscribe to the following promotion. To be eligible for this promotion, customers must also subscribe to any promotion specified in Sections 6.1.18 through 6.1.24 of this section.

For a monthly charge of \$10.00, which is in addition to all other applicable recurring charges, the Company will provide, in lieu of the 180 Minute allocation of usage, unlimited domestic direct-dialed 1+ interstate and intrastate long distance usage, for a period of twelve (12) consecutive billing periods. At the end of the promotional period, the customer shall resume the 180 minute allocation of usage pursuant to such applicable plan.

Due to the bulk nature of the usage, call detail may not be provided on the monthly billing. Unused minutes in any month revert to the Company.

Service is limited to residential voice applications and the use of this service is limited to the customer, members of the customer's household and occasional guests. The use of the service for commercial applications, resale, internet access, telemarketing or other non-residential usage is prohibited. In addition, the use of auto dialers, polling devices, call forwarding, three-way calling (other than incidental usage) and other devices and/or dialing arrangements with the intent to avoid payment of otherwise applicable long distance charges is prohibited. Participation may be terminated for customers who utilize the service in a manner or for a purpose other than those described herein.

This unlimited promotional offer does not include calls to 900 numbers, directory assistance calls, calling card calls, operator services, international calling, taxes, fees, subscriber line and installation charges. Customers checking email, limited surfing the Internet or sending faxes should not incur an additional monthly fee for such limited usage due to the brevity of these applications.

The Company will undertake periodic reviews of traffic on its network to determine appropriate use of this promotional offer. Indicators of inappropriate usage may include call origination, call destination, call holding times, frequency of calls, and other calling-pattern data. Where the Company (at its sole discretion) determines that a customer's calling patterns indicate usage that is not consistent with typical residential customer usage, the customer will be contacted and offered a service plan more appropriate to their needs at the Company's sole discretion. Subsequent to that notification, if a customer continues to use the service in an inappropriate manner, the Company will temporarily restrict the customer's ability to place additional calls until a mutually agreeable resolution can be reached.
